## RETIRING ATTORNEY OFFERING AT YOUR HOME SERVICES FOR WILLS AND POWERS OF ATTORNEY

I, Louis Garrot, a practicing trial lawyer for 43 years in Abbeville and Vermilion Parish, announce my retirement from trial and office work. I am happy to offer my services at your home for preparation and signing of wills and powers of attorney.

Unless you have a child under the age of 24 or one any age at your death (who because of mental incapacity or physical infirmity is permanently incapable of taking care of his person or administering his estate), in most instances you have the legal right to leave all or part of your property and assets to anyone if you execute an enforceable will before dying.

Louisiana Law provides automatic inheritance without a will to classes of survivors such as surviving children, collaterals and parents, but you will need to execute an enforceable will if you desire to leave all or parts of your estate to non-relatives, or if you want to be specific as to who inherits what.

Dying without an enforceable will means that Louisiana Law determines who will inherit from you. Leaving an enforceable will allows the comfort of knowing which specific persons will inherit specific assets from you.

Wills will be prepared after I meet with you in your home, and will be formally executed in your home. My services will be from \$150 to \$300 - with no additional costs or expenses - and the client will receive a written binding quote before I leave your house. A will can easily be changed or revoked.

Powers of attorney are important to allow a person's spouse, relative or trusted friend to conduct his business in times of disability. They are cancellable at will. Fee for preparation is \$150, with no additional costs or expenses.
